Employee Health Services

In accordance with the New York State Health Department 405 regulations and the regulations of the University Hospital of Brooklyn, the health care worker named above has been assessed by the Employee Health Service either by direct examination and laboratory studies or by submission of appropriate documentation from another institution or physician. If necessary, the Employee Health Service consults the Ad Hoc Subcommittee of the Infection Control Committee in cases of possible risk of transmission of a bloodborne pathogen from health care worker to patient. All medical documents are maintained in confidential files at the Employee Health Service at 440 Lenox Road.
